MEMORANDUM FOR AVIATION SAFETY OFFICER (ASO) STUDENTS

SUBJECT: Aviation Safety Officer Course (ASOC) Welcome Letter

1. Welcome to the Aviation Safety Officer Course (ASOC). This six-week long course provides graduates with the basic knowledge, skills, abilities (KSAs), and competencies required to manage a company or battalion level Aviation Safety Program. Our primary objective is to produce safety officers with the skills, knowledge and confidence to fully support Commanders in the field. Areas of special focus are Risk Management, Aviation Safety, Accident Investigation and comprehensive Occupational Safety and Health Administration Training.

2. Attendance prerequisites have been in effect since January 2008 and are posted to the Army Training Requirements and Resource System (ATRRS) and DA PAM 611-21. All officers must have completed the following computer based training prior to attendance:

Additional Duty Safety Course V2 (2G-F95-DL)

<https://safety.army.mil/TRAININGCOURSES/OnlineTraining.aspx> - CSC

3. Be prepared to submit prerequisite certificates of course completion on the first day of class. A copy of the individual's ATRRS Unofficial Transcript (available on AKO) is also acceptable and preferred.

4. All officers holding an aeronautical designator must have completed a minimum of 50 hours pilot-in-command (PC) time prior to course attendance. Acceptable documentation to verify PC time includes a copy of the individual's DA Form 759 or a memorandum from the Company Commander stating that the prerequisite has been met. Personnel that have not accrued 50 hours or more as a PC may request a waiver. Refer to the PC Waiver Information Paper on this website.
